

Only one week left to enjoy CHINA MINING 2013 Early Bird Rate

Asia's biggest and most influential event for the global Mining Industry "The 15th annual

CHINA MINING Conference and Exhibition" will open its doors in Tianjin, PRC soon.

China as one of the largest mining investors and the biggest energy consumer in the world is attracting the global mining community to meet in Tianjin to boost investment, cooperation and trade amongst the global mining industry and China.

Up to now, all leading Chinese Mining Enterprises have been confirmed to attend CHINA MINING, incl.

- China National Gold Group Corporation
- China Nonferrous Metal Mining (Group) Co., Ltd.
- China Metallurgical Geology Bureau
- China Minmetals Corporation
- Shandong Gold Group
- CHINALCO Aluminum Corporation of China
- Yunnan Chihong Zinc & Germanium Co., Ltd.
- Datong Coal Mine Group Co., Ltd.
- Zijin Mining Group Company
- Shandong Zhaojin Group Co., Ltd.
- Tianjin North China Geological Exploration Bureau
- Tianjin Mining Exchange
- Tianjin ZRHL Group Co., Ltd.
- And many others

These companies will be actively present in the exhibition and conference to discuss possibilities of investment, cooperation and trade within the global mining community. Up to now there are more than twenty country government booths booked in this year's CHINA MINING 20,000 sqm exhibition and around ten country sessions take place during the Conference Program, incl. Canada, Australia, New Zealand, Greenland, Peru, Argentina, Chile, Kenya, South Africa, Russia and CIS Countries and others.

To provide further match making services, CHINA MINING Organizing Committee collects Exhibitors' information, incl. project summaries and mineral identifications to provide detailed information to Investors and potential partners. Don't miss the opportunity to meet your potential partners and investors at CHINA MINING 2013 and ensure your seat and favorable early bird rate of only RMB 7,000/Delegate today by booking online at

http://www.china-mining.org/en/delegate_registration.aspx

Early Bird Rate is only available until September 20, 2013! Afterwards the full rate of RMB 8,000/Delegate applies.

About CHINA MINING Conference and Exhibition

Hosted by China Ministry of Land Resources, CHINA MINING 2013 will be held in Meijiang Convention Center in Tianjin on November 2-5, 2013. As one of the world's largest mineral investment, cooperation and trading platforms, CHINA MINING covers the whole value chain, including geological surveying, exploration development, mining rights and mineral trading, mining investment & financing, smelting & processing, technique & equipment, mining services and many more. Last year, CHINA MINING 2012 featured more than 6000 delegates, 430 exhibitors from 60 countries and 22 foreign mining ministers attended as well.
