

FUSION/HENNIG TENDERS FULL ROUGH PRODUCTION FROM KAO MINE (LESOTHO) IN DUBAI

Dubai, UAE; 22 September 2014: The Dubai Diamond Exchange (DDE), a DMCC platform, is pleased to host the Fusion/Hennig September KAO Rough Diamond Tender.

The tender is taking place for the first time in Dubai on September 21-24, 2014 and offers the full run-of-mine production of the KAO mine located in Lesotho. It will comprise of over 30,000 carats encompassing the full range of sizes and assortments, including large and special stones. Included are three exceptional stones; a 23ct pink, 35ct yellow and 51ct yellow.

On the occasion of the diamond tender Minister of Mining, The Honorable Tlali Khasu, also met with Ahmed Bin Sulayem, Executive Chairman, DMCC, to discuss future opportunities.

Peter Meeus, Chairman of DDE said: *"In a challenging rough market, we welcome Fusion/Hennig's decision to reach out to its international clients from our facilities in Almas Tower. Their tenders further complete the DDE platform and it is encouraging to see leading industry players of this calibre choosing to offer a full run-of-mine production to traders in Dubai."*

Adam Schulman, CEO, Fusion Alternatives, stated: *"The KAO production is a premier production from Lesotho, and part of the Fusion/Hennig Tender stable. Further extending our monthly tenders and global reach, we are delighted to now offer the KAO production at our tender in Dubai and offer clients in this emerging hub an opportunity to purchase this production."*

Due to the strong interest in the tender, viewing appointments are limited. To request an appointment please email rough@fusionalternatives.com.
