**19 January 2018**

## **Liquidation auction of large variety of Hydraulic equipment and machinery in Brits**

Van's Auctioneers are very excited to kick off in 2018 with a loose asset auction in Brits on 23 January at 11h00. The auction will be held at 13 Marthinus Ras Street in Brits.

The equipment is of a good standard and quality, and comprises various lathes, milling machines and presses. Also included is a horizontal band saw, welding machines, heavy duty steel benches, plasma cutters, hydraulic presses and power packs, croppers, shapers, and many more equipment and machinery.

The auction will also offer forklifts, furniture, cabinets, drills, spares, compressors and more.

This is an opportunity to acquire good quality equipment and machinery on an auction, and should not be missed. Please contact Van's Auctioneers on 086 111 8267 or visit their website or Facebook page for more information.
