### Anglo American Platinum appoints Craig Miller as Finance Director

Anglo American Platinum Limited ("Anglo American Platinum") announces the appointment of Craig Miller as Finance Director, following Ian Botha's resignation, as announced in September 2018. Craig will join Anglo American Platinum and its Executive Committee as Finance Director on 1 April 2019. Craig will join Anglo American Platinum from Anglo American plc, where he is currently Group Financial Controller. He has more than 18 years' experience in various senior finance roles, including as Chief Financial Officer and Commercial Head for Anglo American's Iron Ore Brazil business from 2010 to 2015.

Commenting on the appointment, Chris Griffith, Chief Executive of Anglo American Platinum, said: "On behalf of the Board, and my executive team, I would like to congratulate Craig on his appointment and welcome him to the team at a time when we are taking steps to unlock the next phase of value from our business. I would like to thank Ian for the immense contribution he has made since joining us in 2015. We wish him well with his move to RHI Magnesita".

Craig Miller said of his appointment: "This is an exciting time to be joining Anglo American Platinum. I look forward to working with Chris Griffith and the Executive Committee to move Anglo American Platinum to greater heights. As the world's leading producer of Platinum Group Metals (PGMs), we have an opportunity to continue delivering superior returns to shareholders and creating shared value for all our stakeholders."

The Board has approved that Simon Kruger, Anglo American Platinum's financial controller, will serve as acting Finance Director in the interim period from 1 March 2019 to 31 March 2019.

#### Notes:

**Craig Miller**, age 45, is a qualified Chartered Accountant CA(SA) and has worked at Anglo American for 18 years. Anglo American is a global diversified mining business and our products are the essential ingredients in almost every aspect of modern life. Our portfolio of world-class competitive mining operations and undeveloped resources provides the metals and minerals to meet the growing consumer-driven demands of the world's developed and maturing economies. With our people at the heart of our business, we use innovative practices and the latest technologies to discover new resources and mine, process, move and market our products to our customers around the world.

As a responsible miner – of diamonds (through De Beers), copper, platinum and other precious metals, iron ore, coal and nickel – we are the custodians of what are precious natural resources. We work together with our key partners and stakeholders to unlock the sustainable value that those resources represent for our shareholders, the communities and countries in which we operate and for society at large. Anglo American is re-imagining mining to improve people's lives.
